

## Security Breach Response Procedures (SB-2)

### Small-scale Demonstration Ashore

#### Reporting Source

- ☐ Make thorough initial report of observed activity and on scene conditions. Include vessel description, any visible registration numbers, and descriptions of and number of personnel on board.
- ☐ Inform the master of the vessel that he/she is in a security zone and will need to clear the area.
- ☐ If the vessel fails to respond, notify the local Coast Guard (CG) or nearest law enforcement personnel.
- ☐ Remain on scene if possible at safe distance until relieved by CG.
- ☐ Monitor actions of the vessel; report any unusual behavior to authorities.
- ☐ If vessel places any object(s) into water, provide details & location of object(s).
- ☐ If perceived threat exists, activate facility's security plan and follow standard operating procedures.
- ☐ Notify personnel on shore of suspect vessel
- ☐ Shore personnel should take action to prevent vessel access to facility.
